Comments on Data:

* The State of Indiana does not have sufficient data to report on the "Receiving Supported Housing", "Receiving Supported Employment", "Receiving Multi-Systemic Therapy", and "Receiving Family Functional Therapy" columns.

* Data reported under the "Receiving Therapeutic Foster Care" category are derived from the Community setting using established rules defining certain ROLES (Restrictiveness of Living Environment Scores) values as qualifying criteria.

* Hispanic: Only use the "Hispanic" row under Race if data for Hispanic as an Ethnic Origin are not available.
